Note: We reserve the right to make adjustments to the prices, anytime and without prior notice, due to changing market conditions in relation to the pandemic and its effect on the costs of the raw materials

Nota: Ci riserviamo la facoltà di modificare i prezzi esposti in qualsiasi momento e senza preavviso viste le imprevedibili variazioni di mercato causate dalla pandemia con conseguenti aumenti dei costi delle materie prime

Bilješka: Zadržavamo pravo promjene cijena u odnosu na dogovorene, u bilo kojem trenutku i bez najave, zbog nepredvidivih promjena na tržištu vezanih za pandemiju i njezin utjecaj na cijenu sirovina

THE CGT MEMBRANE ADVANTAGES

North America's leading manufacturer of premium vinyl liners and PVC membranes for above-ground and inground pools. Supplies a wide variety of products with many benefits

CGT is leading the industry as the preeminent global supplier of polymeric films to the industrial sector. Through our talented indispensable team, we strive with excellence to innovate quality products that will delight our customers and the entire industry. We look to the future with imaginative solutions, innovation & technology to bring the best of swimming pool vinyl to the market. Our Award-Winning Design team moves into 2021 with a vision for the new decade of dynamic color, texture and inspiring aesthetics. Our team is driven by outstanding customer service, exceptional quality, and 150 years of expertise.

FEATURES & BENEFITS:

Premium PVC-P formula

High quality multi-layer varnish

Stain and fade resistant

UV defence & chlorine resistance

Leading printing capability

Unparalleled bleach resistant formula

High resistance against material cracking

Superior handling for easy installation

NFP 15 836-1 and NFP 15 836-2 certifications

CGT REINFORCED MEMBRANES

Superior quality reinforced membranes for residential and commercial pools

PF 3000 PVC REINFORCED MEMBRANES

PF 3000 PVC reinforced membrane, plain colors, made with PVC-P multi-layer varnish materials. 1,5mm thick membrane supplied in 1,65m x 25m rolls or in the anti-slip version that have the same characteristics and are 1,6mm thick.

Membrana rinforzata in PVC tipo PF 3000 colori, base prodotta con materiale PVC-P verniciato multistrato. 1,5mm di spessore, fornita in rotoli da 1,65m per 25m oppure in versione antiscivolo da 1,6mm di spessore in rotoli da 1,65m x 25m.

PREFORMED LINERS

Highest quality preformed liners for residential and commercial pools

FEATURES & BENEFITS:

Resistance to climatic aggressions

Higher colour stability with UV protection

Great resistance to high water temperatures

Higher resistance to microorganisms, colouring, and oils present in the water

Extremely flexible. Adaptable to all kinds of pool structures

Very rigorous quality control inspected during production

Competent and highly skilled professionals

Excellent material guarantee

Contain antifungicide and antibacterial substances

Large variety of Colours, scales, patterns and tiles band

EXPRESS DELIVERY

UPON REQUEST

PREMIUM 2010 SOLID COLOR LINER 75/100

Liner membrane "Premium 2010" belongs to a high quality range liners in the swimming pool market. It shows better resistance to abrasion and deterioration, resistance to UV ray and pollution, resistance to high temperatures up to 32°C and it is easy to clean. The liner is resistant thanks to the double varnish protection on both sides of the membrane. 15 years degressive warranty on welding.

La membrana Liner "Premium 2010" appartiene alla gamma di qualità superiore nel mercato delle piscine. Dimostra resistenza superiore alle abrasioni, ai raggi UV, alle macchie, resistente alle alte temperature sino a 32°C ed è facile da pulire. Il liner è particolamente resistente grazie alla doppia verniciatura protettiva applicata su entrambi i lati. Garanzia degressiva 15 anni sulla saldatura.

Membrane Liner "Premium 2010" su na tržištu bazenske opreme jedne od najkvalitetnijih. Otporne su na ogrebotine, UV zrake, mrlje, na visoke temperature (do 32°C) i nečistoće te se lako čiste. Zahvaljujući zaštitnom sloju koji se nanosi na obije strane liner folija je jako otporna. Jamstvo 15 godina na zavarene dijelove.

High quality multi-layer varnish — *Resistance to discolouring* — *Supports high temperatures < 32ºC*

Better resistance to abrasion — *Resistance to pollution marks* — *All forms & floors possible*

Resistance to UV ray aging — *Resistance to microorganisms* — *Long warranty 15 years*

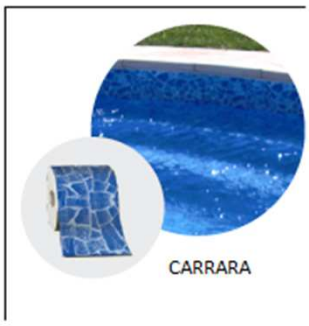
PREMIUM 3010 SOLID COLOUR PRINTED LINER 75/100

The Premium 3010 Solid Colour Printed Liner has a double protection varnish applied on both sides. On the he back side of the liner a non-polluting varnish was applied to protect the liner against micro-organism's induced stains, which also preserves its beauty. Protection against migration of fungicide (eco-friendly) and protection against migration of plasticizers – anti-aging are included too. 15 years degressive warranty on welding.

La membrana Liner stampata "Premium 3010" possiede una doppia verniciatura prottetiva applicata su entrambi i lati. Sul lato posteriore del liner è stata applicata una vernice non inquinante per proteggere il liner dalle macchie indotte dai microrganismi, che ne preserva anche la bellezza. Sono incluse anche la protezione contro la migrazione di fungicidi (ecocompatibili) e la protezione contro la migrazione di plastificanti - funzione antietà. Garanzia degressiva 15 anni sulla saldatura.

Liner folija sa štampanim uzorkom "Premium 3010", ima dvostruki zaštitni lak nanesen na obje strane. Na stražnju stranu linera nanesen je lak, koji ne zagađuje okoliš i koji štiti od mrlja izazvanih mikroorganizmima, što također čuva ljepotu linera. Uključena je i zaštita od migracije fungicida (ekološki prihvatljiva) i zaštita od migracije plastifikatora - protiv starenja. Jamstvo 15 godina na zavarene dijelove.



High quality multi-layer varnish
Resistance to discolouring
Supports high temperatures < 32ºC
Better resistance to abrasion
Resistance to pollution marks
All forms & all floors possible
Resistance to UV ray aging
Resistance to microorganisms
Printed version
Protects migration of fungicide
Protects migration of plasticizers
Long warranty 15 years

SQUAMERS MOSAICS

Design Pools for Everyone

Squamers was born in Onda Castellón, Spain, with a clear mission: to provide moisaics for everyone. The company covers, in fact, a wide range of products made for all types of clients, from top lawyers to a grandmother who enjoys letting her dog bathe with her grandchildren.

If you dream to get your own design then Squamers is what you are looking for, it doesn't matter whether on the bottom of your pool you want fish scales, a Caribbean pearl, or the logo of your favourite rock band.

This is exactly why Squamers has an amazing design team: no matter what you have in mind, they will turn it into reality.

Immerse yourself in Squamers, and join the design revolution. Each person has the right to create their own art at an affordable price
